

Companies in Iowa Selling Long-Term Care Insurance and Partnership Plans

The companies listed on this factsheet have been approved to sell individual long-term care (LTC) insurance, life insurance LTC hybrid policies and annuity LTC hybrid products in the State of Iowa. Customer service numbers are listed for each company. If a company is not listed, the company is not currently selling new long-term policies to individuals in Iowa. You may have an existing long-term care policy from a company that is not on the list. Your company may no longer be selling **new** LTC insurance policies, but is required to continue to service in force long term care policies. If you continue to pay your premiums, your policy should be valid.

This list also includes companies that sell **Long-Term Care Insurance Partnership** policies. Life insurance and annuity hybrid LTC policies do not qualify for the Partnership.
